

2020-2021

## Henry County Instructional Options Framework

**TRADITIONAL:** Students attend classes in a traditional, on-campus setting.

- Students return to school August 21, 2020.
- As normal, a student's IEP or 504 plan dictates their placement and services.

**REMOTE:** Students complete coursework remotely.

- Students must complete the enrollment process and orientation session for the appropriate option according to current grade.
- Students will remain on their school student roster for purposes of ADM .
- All virtual students will use the Schoology learning management system and grade appropriate standards based software.
- All students must have an adult who commits to serve as a learning coach at home.
- Students enrolled in the remote option must remain in the program for one semester minimum.
- Students will have a certified teacher assigned as their virtual facilitator.
- Grades will be sent to the home based school following the HCBOE scheduled grading period.
- Remote students must report to their home school to participate in all state mandated testing.

**BLENDED:** Students transition between the traditional and remote options and back again on an *as needed* basis dictated by directives from the Alabama Department of Health. This option will be utilized:

- During individual short-term student quarantine.
- During school system-wide shutdown.
