

A large, vibrant explosion of multi-colored powder (yellow, green, purple, pink, orange) fills the upper two-thirds of the image. Below the powder, the tops of a large crowd of people are visible, many with their arms raised, some holding up phones to capture the moment. The scene is festive and energetic.

# **Middle School Color Run**

## **April 24th, 2025**

# What is it???

Students that pay to participate will go outside and run/walk a course around the back of the school (it won't be 3 miles; it will be a shorter distance) and at 4 times during their walk/run, they will get showered with color.

# Color Celebration

At the end of the run/walk, all students that pay to participate in the run/walk or pay to go out and watch the run/walk, will get to participate in the “color celebration”. During the “color celebration” students will get an individual portion of color powder to throw at each other.

# Concessions and Selfie Station

After the “color celebration” students will have the remainder of the hour and half to purchase concessions and take pics at our “selfie station” with color all over you and just enjoy being out of class.

- Cost is \$10 (includes participation in run/walk, sunglasses and a color packet)  
Money/form due Friday, April 18, 2025

Students that don't pay will remain inside during the event.

## Option 2: Student Sponsorship Forms

Students can use the STUDENT SPONSORSHIP FORMS to ask family and friends to sponsor them for any amount in the Color Run. **The goal is for each student to earn \$50 in sponsorships.** Students that meet or exceed this goal will be rewarded with special activities.

When the school receives the event sponsorship forms from the business, the student listed will be credited with those funds on his or her name to earn rewards!

All sponsorship forms are due back to school with the money by Friday, April 18, 2025!
