Citing a Source from the Internet (website)

Find the following information about your source and put in the same order as below with the same punctuation.

• Author's last name**,** Author's first name**.** **"**Title of Document**."** Website Name**.** Website Sponsor**.** Date it was posted/updated**.** Web**.** Date accessed**.**

Example:
• Smith**,** John**.** **"**The Fall of Rome**."** Brainpop**.** Technological Solutions**.** 3 February 2011**.** Web**.** 2 April 2021**.**

Remember the following: **1)** If you can't find the author's name, SKIP IT!
2) If you can't find sponsor, use the website name
3) Date format: Day Month Year (no commas)
4) Type the word Web. to let your teacher know it's a website and this is where you would put the URL address of the website if required.
5) Remember your punctuation!
6) If it has two authors, do it like this: **Floyd, Andrew & Carla Tew**
