

CHAPTER 7.00 – BUSINESS SERVICES

TICKET SALES

7.94

Pre-numbered tickets or electronic ticket sale method shall be used at all events where admission is charged. Admission events include athletic events, pageants, dances, theatrical performances, talent shows, carnivals, festivals, and other school-related events.

Ticket Sales sheet or electronic method report shall include the date of event, name of event, number of tickets sold, and total of sales. All funds received for events are to be receipted and deposited into bank account promptly.

An Attorney General Opinion stated that the local school board could authorize complimentary passes to certain individuals. A principal cannot issue any complimentary passes without the authority of the local school board. Public employees and officials and their family members receiving a complimentary pass are responsible for compliance with the State Ethics Law.
